

## SUMMER ARTIST MARKET 2009 CRITERIA

- All artists must have a working e-mail address.
- All artists must be legal residents of Vermont who create unique, hand-crafted, one of a kind artwork or uncommon medium. The work must function well, show proficiency, quality, craftsmanship, consistency, knowledgeable use of materials and above all; artistic expression. Commercial reproductions of two dimensional original art/craft are limited to 30% of saleable product in a booth.
- All work must fit within a media category. Media categories include: **ceramics; painting; fiber arts, both decorative and wearable; furniture; glass; jewelry; metal; mixed media; paper; photography; print-making; and wood.**
- All work must be original and made by hand or with the use of appropriate tools. No product oriented work – if you design a product and sell multiple versions of that design that work will not be considered “unique and individual”.
- Artist may only show work in the categories selected by the jury. All work exhibited must be of the same body, quality, and category of work that was juried.

## Unacceptable Craft Work

- Any item made from a commercial kit, pattern or mold. No reproductions of patented or copyrighted designs other than the artists' own work with the exception of traditional/historic patterns and designs.
- Work which is executed in a manner which indicates unsuccessful processing steps or incomplete finishing details.
- Assembled jewelry from purchased components or non-hand crafted parts unless the finished product is unique and transcends the purchased product. “Beading” is strongly discouraged.
- Clothing or work in fabric which has not been designed and sewn by the artist, unless the finished product is unique and transcends the purchased product.
