#### DESCRIPTION OF MATERIALS AND TECHNIQUES

On a separate piece of paper you MUST answer all of the following questions or your application will be returned, please type all answers. The more detail you provide, the more helpful it will be during the jury process.

1. Describe how you develop your designs.
2. If you use patterns, describe the source and development of those patterns.
3. Describe all materials you use. Identify purchased materials and materials that you fabricate.
4. Describe the various tools you use at every step in your process.
5. Do you use a mold process? If so, please describe.
6. Describe any additional steps, processes, and techniques not included above.
7. Describe your finished products. (This statement will be used on our Web Site, in the Directory, and for promotional purposes if you are accepted into the organization.)
8. Include a photograph, image or drawing and detailed description of the proposed display "booth", keeping in mind the spirit of an open air market. Preference given to creatively designed display booths (display booth area no larger than 6' x 6', must provide own table and chair, umbrellas are suggested for protection from natural elements). Folding tables with plain tablecloths strongly discouraged. While the artwork is very important, the overall creative atmosphere and appearance of the market is even more so. Suggestions to diversify display include: varied heights of display elements, creative re-use of architectural pieces such as doors and windows, wooden crates, bright colors, etc. **Note:** No electricity is provided.
9. If available, please provide a single page typed biography. The biography should include: birthplace, education, classes taken, classes you teach, awards or recognition, what inspires you, and how your work is unique.

I certify that I have read the 2008 Summer Artist Market Criteria and that the items submitted by me for this jury are representative of the products and quality of work that I would be exhibiting for sale during any marketing opportunities offered by the Summer Artist Market. I further attest that the work presented is created by me and does not originate from a kit, nor is it made from commercially available patterns or molds. I understand that upon acceptance as a member of the Summer Artist Market, I would be allowed to sell or exhibit only the craft and art presented here for jurying. Should I wish to produce a substantially different craft within the same medium, or work in a different medium, I would be required to present that work for jury. I agree that the products I submit for jury into the Summer Artist Market may be photographed at the jury and that these, and the photos that I submit with my Summer Artist Market membership application, may be used for promotional purposes. I also certify that I am a legal resident of the state of Vermont.
